

THE WINERY

To Whom It May Concern:

David George and Chesapeake Creative Services have been working with us since February 2008. We worked closely together to design the website for our wine store, www.thewineryKI.com and he has been handling our website maintenance, e-blasts and newsletters since that time.

We have seen tremendous success as a result of our e-mail club and David has been instrumental in helping us to grow our electronic marketing efforts. In addition to his creative ideas, David uses his graphics design skills to create visually appealing e-mail blasts for our store. He works quickly and responds to questions and projects in a timely fashion. He is also excellent at keeping us on task to hit our scheduled marketing milestones.

I would recommend David's services to any business interested in reaching out to their customers electronically. He is able to provide a value-adding service to our company at a competitive price and is considered a part of our marketing team.

Sincerely,
